SPEND A SUMMER NIGHT WITH THE STARS

Jackson-Triggs Amphitheatre presents the 2009 Twilight in the Vineyard Summer Performance Series

We are thrilled to announce this year's all-Canadian line-up which includes Chantal Kreviazuk, Bruce Cockburn, the Canadian Tenors, Rufus Wainwright and David Usher.

CHANTAL KREVI AZUK
June 27th, 2009

With an insightful wisdom that belies her sweet voice, Winnipeg's Chantal Kreviazuk has become one of Canada's top music artists. We are thrilled to bring Chantal back to Jackson-Triggs for an encore performance at the Amphitheatre this season. Her sold-out 2007 solo concert became a much-talked about evening where the only thing more stunning than the evening under the stars was the beautiful and charming musician/storyteller at the grand piano.

BRUCE COCKBURN
July 4th, 2009

Bruce Cockburn's performance at Jackson-Triggs will provide a rare look into the artist as he performs his classic songs together with music from his new live acoustic effort, *Slice O Life*. This Canadian Music Hall of Fame inductee and Order of Canada recipient is best known for his iconic anthems "If I Had a Rocket Launcher" his classic "Lovers in a Dangerous Time" and his breakthrough "Wondering Where the Lions Are." With his new solo acoustic album, all of Cockburn's formidable gifts can be enjoyed under the stars.

CANADIAN TENORS
July 25th, 2009

From Timmins to Tahiti, Vancouver to Vienna, Saskatoon to Swaziland – The Canadian Tenors have criss-crossed the globe performing more than 80 concerts for over 150,000 music lovers including such luminaries as former President Bill Clinton, music legend Quincy Jones, Grammy Award-winner Wyckliff Jean, Canada's musical maestro David Foster and renowned Tuscan tenor Andrea Bocelli. This is a special opportunity to spend an intimate evening with The Canadian Tenors as they bring their humour, charisma and magical voices to the Jackson Triggs stage for one memorable night under the stars.

RUFUS WAINWRIGHT
August 1st, 2009

Affectionately referred to by Elton John as "the greatest songwriter on the planet" and praised by *The New York Times* for his "genuine originality," Rufus Wainwright has established himself as one of the great male vocalists and songwriters of his generation by carving out his own singular sound. You can look forward to an evening of his favorite songs and stories played, sung and spoken around a grand piano.

DAVID USHER
August 29th, 2009

With his band, and as a solo artist, David Usher has sold over 1.3 million records and won five Junos including 2002 Pop Album of the Year. Also in Canada, he has had 10 different singles hold the #1 spot on radio, and 10 singles in the top ten. David has also had "top ten" and "top twenty" radio singles in 20 other countries around the world.
